CHORUS

B

There were three performing choral groups in the school this year. "A" Chorus was composed of those students who had had training and experience in vocal work. An ensemble was selected from this group. Mr. Pamplin directs both of these groups. The "B" Chorus is a new organization this year. Directed by Mrs. Elder, these students were selected on the basis of a desire to sing and to gain experience.

All three of these groups were quite active. They participated in the University of Va. Band Day and Chorus Day, All-State Chorus, District Choral Festival, County Choral Festival, Christmas and Easter programs, commencement exercises and even sang for various civic and church groups.
